Dear Applicant,

PPI Registry NSW * VIC * QLD * is a registry for qualified & experienced Inspectors. No “fly by nighters” welcome here. The registry website is set up to list all the Inspectors and their Providers that are accredited by other governing bodies to be situated in their respective metro, coastal and interstate areas covering the eastern seaboard of Australia. Each listed individual can detail their services, abilities and any other services they *may* offer on the (PPI) pre-purchase Website.

All applicants becoming registered must be holders of relevant governmental qualifications & licensing, e.g. a current Builders Lic, a current BC Lic and/or Pest Certification consisting of the required levels and all other necessary accreditation. All applicants *must have* current PL & PI Insurance policies in place with a minimum of \$5 mill PL and \$1 mill PI. Inspectors under extensive experienced circumstances and with a no claims history a lower amount for PI & PL may be varied at the discretion of PPI. Applicants *may* also be members of other associations and any other organisations that assist in their education of facilitating their growth into PPI Registry.

The registry is not only for the inspectors bus is for the providers & supporters to the industry being; Barristers, Lawyers, Solicitors, Conveyancers etc. The providers to PPI will benefit by becoming known through each inspection entity because of the no claim status that will be achieved by belonging to PPI. The supporters to PPI will also benefit by the volume of membership that PPI will achieve on the east coast of Australia.

Our aim is to create an elite team of inspectors and a household name the general public can trust & provide them with only the qualified inspectors. Our registry is based around our website (www.pre-purchase.com.au). Each eligible applicant will be posted on the PPI website stating what best describes them and their business and is vetted for competency before being placed on the website.

The PPI website is regularly being updated to ensure maximum optimization to search engines, this will rank PPI in Google, Yahoo, MSN etc. Advertising plays a large role in our business plan such as advertising through media organisations & other advertising entities.

This registry will not try to eliminate the non qualified individuals but train and educate them to become a status that we and the general public expect. This can be obtained through **PPI Institute**, other associated institutes and their supporters to facilitate their growth into the **PPI Registry**.

The cost to belong to the registry (including GST) is a *one of only* fee being \$495-00 then a continuing monthly fee *of just* \$55-00, per Inspector and/or other applicants to remain listed on the registry. The above fees can be altered at the discretion of PPI Management in relation to specials, discounts to bulk members or any deals that PPI Management sees the need to be implemented. PPI, after general office expenses, to provide PPI marketing like Radio, TV, promotions and editorials in newspapers to ensure PPI Registry NSW * VIC * QLD becomes a household name like other common practices and entities. (Each accepted pre-purchase Inspector listing receives a PPI leather note folder, photo ID lanyard & car stickers at no extra charge.)

Welcome, to the PPI force of ELITE Registered Inspectors and their Providers.

Yours faithfully,
PPI Management.
